THE STORY

In the summer of 2021, Jonathan Davis and Kiera Colson led a virtual bible study that formed from Lee University Summer Honors 2021 where they got connected. Their friendship has always been centered at the core of impact and positive influence.

As they journeyed through their first semester at Lee University, Kiera and Jonathan gained the lessons, memories, and new opportunities that all come with freshman year.

Many of their friend group, Kiera, Jonathan, Grace, and Nathan all started working at the Boys and Girls Club. There their hearts were pierced for the kids and teens they were working with. Tears of heartbreak and new passion, slowly caused every second of conversation to become centered around the kids at the Boys and Girls Club. There was an obvious need for mentors to step up and be a positive influence. The passion slowly lit a fire within this group and before they knew it, the idea of AIM was beginning to develop.

Jonathan, Kiera, Megan, Haley, Grace, and Nathan wanted to create a place where Lee University students could be the light within the darkness in the lives of the BGC kids.

The question "How could Lee University not invest in the kids and teens who truly need us most?" echoed in their minds.

And their answer was the creation of AIM. The solution to the problem these Lee University students had stumbled upon. The current executive board proudly serves Kiera, Jonathan, Grace, Lia, Nathan, Dominik, Daniel, Roman, Ava, and Victoria.

THE VISION

AIM is built from the foundation of a retired Lee University Club called Big Pal Little Pal. It is truly an honor to be able to lay new workings upon the impact that Big Pal Little Pal did many years ago. AIM strives to honor the legacy that Big Pal Little Pal laid and will forever be an important piece of AIM.

The vision behind AIM is centered around empowering the next generation through intentional mentorship that actively brings forth the opportunity for passion, purpose, and positive community impact.

AIM is built upon the workings of Agents (AIM Members) and their passion to positively impact the Recruits (BGC kids and teens).

The Agents of AIM are broken down into:

Mentors: one-on-one intentional mentorship

Coaches: agents who teach classes that give the recruits the skills to achieve their dreams.

Volunteers: agents who are willing to hop in wherever needed

Our vision is a world where young college leaders are mentoring the rising generations with positivity, passion, and purpose resulting in closing the generational gaps that are apparent in our society.

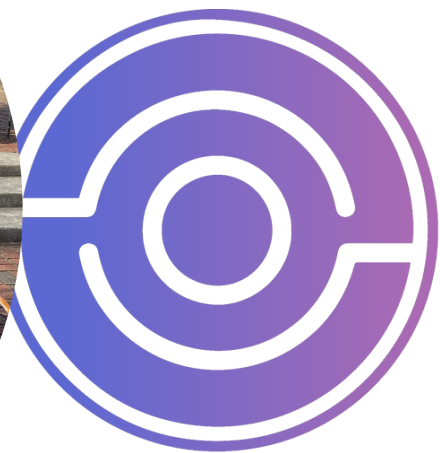

THE FOCUS

Providing the following;

- Opportunities of Lee to the mindsets of the BGC kids and teens.
- Volunteers needed for Impact
- Objects for impact - new furniture, gym equipment, books, etc.
- Spiritual needs for impact
 - Monthly Devotional Gatherings
 - Providing answers to the recruits' questions
 - Being a consistent light in the recruits' lives.
- The ability for dreams to be realized and skills to be developed
- Opportunity for recruits to understand and see the power of service.
- AIM Agents have the ability to learn and be aware of childhood trauma and how they can be a light for those facing such lives.

If you would like to donate directly you can email Kathryn Lehman, the AIM Treasurer at klehme00@leeu.edu.

We look forward to the future!!

AND LET US CONSIDER HOW WE MAY SPUR ONE ANOTHER ON TOWARD LOVE AND GOOD DEEDS, NOT GIVING UP MEETING TOGETHER, AS SOME ARE IN THE HABIT OF DOING, BUT ENCOURAGING ONE ANOTHER--AND ALL THE MORE AS YOU THEE THE DAY APPROACHING. HEBREWS 10:24-25
